

Meeting of the INTOSAI working **sub-group on “good practices”**

Cour des comptes – PARIS

May, 28th and 29th, 2009

Draft minutes

The sub-group on « best practices » held a meeting just after the meeting of the working group ended.

After a rich discussion on the aims and methods of a good practices collection, the group agrees on the following strategy:

- the report “A primer” will be communicated to a limited number of SAIs for collecting comments and practical examples on evaluation methods, in the three key areas analysed by the report, i. e. : planning evaluation, conducting evaluation and developing organisational capacity ;

- the questionnaire (no more than 2 pages) will be prepared by the sub-group ;

- the answers will be discussed in the sub-group, which will go back to colleagues for more details.
